Applicants: Calvin F. Konzak et al. Attorney Docket No.: KONC118530

Title: METHODS FOR GENERATING DOUBLED HAPLOID PLANTS

# INFORMATION DISCLOSURE STATEMENT

Seattle, Washington 98101

TO THE COMMISSIONER FOR PATENTS:

Applicants are aware of the information listed in the attached form that may be material to the prosecution of the above-identified patent application.

1. __X__ This application relies, under 35 U.S.C. § 120, on the earlier filing date of prior Application No. 09/383,588, filed August 26, 1999. The references listed on the attached form were submitted to and/or cited by the Patent and Trademark Office in this prior application and, therefore, are not required to be provided in this application.

2. __X__ This Information Disclosure Statement is being filed concurrently with the above-identified application.

Respectfully submitted,
